Heidi Weiskopf

has completed the

Public Foundations Level 2 Virtual Launch Workshop

Provides the practice and guidance needed to effectively begin teaching the Foundations curriculum. Attendees learn about the skills taught in Foundations, the principles of instruction, and the use for materials in the Foundations Teacher's Kit as well as the extended resources available on the online Learning Community for Foundations. Attendees also learn to use the Teacher's Manual to prepare a learning plan and to visualize the flow and pace of a full Foundations lesson.

Duration: 4 Hours
