To Whom It May Concern,

I am writing on behalf of Heidi Weiskopf. I had the pleasure of meeting Heidi in 2021, when she and her family entered the Archway Cicero community. Her son was a student in my fourth grade classroom. I have been teaching fourth grade for seven years, and I have never worked with a parent who is as informed, passionate, and supportive as Heidi proved herself to be.

When we met as a team for an IEP, Heidi was a knowledgeable and active participant. She has a keen ability to identify student strengths and weaknesses within the realm of special education, and was able to offer valuable insight to our communication all year. Notwithstanding Heidi's outstanding and prompt communication, what stood out to me most about her is her unrelenting passion to seek the good for students. Heidi is a genuine and caring person, and this combined with her outstanding work ethic and heart for service makes her an incredible individual with whom to work.

I recommend Heidi with great confidence.

Best,
